1-Description/Analysis

2-Exhibit A Contract

Description/Analysis

Issue Detail: Homelessness is an issue that impacts communities without regard to geographic or political boundaries and for which there is no single answer or approach. The City of Sacramento has committed significant resources in a variety of investments coordinated through Sacramento Steps Forward (SSF), the non-profit responsible for leading the regional efforts to prevent and end homelessness in the Sacramento region. Specifically, in the FY 2016/17 budget, the City has allocated \$2,266,351 in General Funds for homeless programs. Among the programs included in this allocation are the Volunteers of America (VOA) A Street Men's Shelter and the Salvation Army Center of Hope Shelter. The City has allocated funding to these programs as follows and Sutter Health has agreed to match the City funding dollar-for-dollar.

Program	City Dollars	Sutter Dollars	Total
VOA A St. Shelter	\$177,500	\$177,500	\$355,000
Salvation Army Lodge	\$255,500	\$255,500	\$511,000
TOTAL	\$433,000	\$433,000	\$866,000

The City and Sutter commitment provides funding to keep both shelters open 24 hours a day, seven days a week. The City previously approved the contract for the VOA A Street Shelter, which began operating 24/7 on August 1, 2016. The City is now seeking approval for the attached contract with the Salvation Army to also keep that shelter open 24/7 and to ensure that all available beds are funded year round. Sutter dollars are being provided as a match to the City's funding, and a Memorandum of Understanding for those dollars was previously approved by the City.

Policy Considerations: The City contracts for expansion of the VOA and Salvation Army Shelters will require that both shelters actively coordinate with the homeless Continuum of Care (CoC) and participate in the "Common Cents" coordinated entry and assessment program. These program are overseen by Sacramento Steps Forward (SSF) and align with the federal directive that funding for addressing homelessness follow a "housing first" approach. Housing first principles ensure that emergency shelter be provided with few to no barriers to access and focus on linking clients with permanent housing as quickly as possible. In housing first programs, supportive services are offered (but not required as a condition of tenancy) in shelter and ongoing to help people keep their housing and avoid returning to homelessness. This evidence-based approach is consistent with the strategies and funding priorities of the other public agencies working to end homelessness in Sacramento.

Partnering with other agencies to leverage resources and improve livability is consistent with the City Council's past actions and current direction and is consistent with Council's adopted Budget Guidelines to pursue new and enhanced revenue sources.

Economic Impacts: None.

Environmental Considerations: None.

Sustainability: None.

Commission/Committee Action: None.

Rationale for Recommendation: In the FY 2016/17 budget, the City Council approved \$433,000 from the General Fund to support the VOA A Street Shelter and the Salvation Army Center of Hope Shelter. This funding was predicated on Sutter Health providing a dollar-for-dollar match. The City previously approved a MOU with Sutter for \$433,000 of match dollars and established a project in the Homeless Housing Initiative Program (I02000200) to disburse the City and Sutter dollars to the VOA (\$355,000) and the Salvation Army (\$511,000). The City's Homeless Services Coordinator will be responsible for overseeing the contracts, and ensuring that the shelters are accessible, that vulnerable clients are prioritized for services and that the shelters are fully integrated into the other programs of the CoC.

The City has been actively pursuing ways to prevent and end homelessness and working actively with other community partners in this endeavor. This report expands on the continued conversations around homelessness, increasing the City's commitment to providing crisis shelter options and aligning those resources within the context of the larger system of care.

Financial Considerations: The funding for the contract will be managed through the Homeless Housing Initiative Program (I02000200) and the funding from Sutter will be managed separately from the General Funds. No additional funding is required for this contract.

Local Business Enterprise (LBE): Not applicable.

Attachment 1 to Exhibit A

SCOPE OF SERVICES FY2016/17 SALVATION ARMY CENTER OF HOPE EMERGENCY SHELTER

Sacramento Steps Forward (SSF) is the lead organization in Sacramento County for policies and programs that prevent and end homelessness. As such, SSF has begun the process of right-sizing our community's homeless services Continuum of Care (CoC), creating a systemic approach that includes low to no barrier crisis shelters, a coordinated entry and assessment ("Common Cents"), and increased permanent housing through rapid re-housing and targeted permanent supportive housing. The City of Sacramento and Sutter Health recognize the important role that emergency shelter plays in helping move people out of homelessness and into permanent housing. To that end, the City and Sutter Health have partnered to increase access to emergency shelter, providing funding to ensure that:

- Emergency shelters are open 24 hours a day, 7 days a week; and
- All beds in emergency shelters are available 365 days a year; and
- Emergency shelter beds are accessed through the Coordinated Entry system; and
- Emergency shelters are "low to no barrier", meaning that they impose minimal restrictions on behavior of clients while staying at the shelter; and
- Services at emergency shelters are primarily focused on helping client obtain permanent housing (including permanent supportive housing, rapid re-housing, subsidized affordable housing, market housing or living permanently with family or friends).

OPERATOR

The Center of Hope Emergency Shelter shall be operated by The Salvation Army, Del Oro Division (TSA).

LOCATION

Salvation Army
Center of Hope Emergency Shelter
1200 North B Street
Sacramento, CA 95814

COLLABORATIVE FUNDING

The total annual budget to operate the shelter is \$2,193,050, as detailed in Attachment 1 to Exhibit B of this contract. The shelter is funded via three contracts:

- A \$225,000 contract with the Sacramento Housing and Redevelopment Agency (SHRA) for Community Development Block Grant (CDBG) funding; and
- A \$75,000 contract with the Sacramento County Department of Human Assistance (DHA) for County General Funds; and
- This \$511,000 contract with the City of Sacramento for City General Funds and private funds from Sutter Health.

An additional \$1,382,300 in funding is provided by the Salvation Army from foundations and donations.

The City, SHRA, and DHA have agreed to jointly fund the operations of the Shelter. SHRA's portion and DHA's portion of the funding for the operation of the Shelter is addressed in a separate agreement and is not included in this contract between the City and TSA. SHRA's contract runs on a calendar year and the City and DHA contracts runs on a fiscal year.

STAFFING

4 FTE Program Administration
5 FTE Case Managers
15 FTE Shift Monitors
2 On-call Shift Monitors
6 FTE Food Services
2 PTE Food Services
2 FTE Maintenance/Operations

The Center of Hope Shelter will have 24 hour, seven day a week staffing with a minimum of two staff on site at all times.

16	People discharged from hospitals (both men and women)
130	

TSA shall provide a support system of multiple resources and specialized services to assist clients in resolving their homelessness. The maximum stay for participants will be 30 days with three possible extensions of 10 days each at TSA's discretion.

The Shelter will provide shelter, food, laundry, and information and referral services to homeless individuals. TSA shall operate the Shelter 24 hours a day, 365 days per year. TSA will have at least two staff member on duty at all times during the hours of operation.

At a minimum, the following services will be provided to clients at the Center of Hope:

- **Food** Three (3) meals per day, seven days a week.
- **Beds** A bunk bed will be made available to each client.
- **Laundry and Linen** Clean bed linen, blankets, and spreads will be available on a weekly basis. Clients can have personal items laundered on a daily basis.
- **Clothing** Donated clothing, shoes, etc., are available to residents on an as-needed basis while supplies last.
- **Recreation** Books, magazines, games, and television are available during appropriate hours.
- **Referrals** to mental health, substance abuse and primary care health services.
- **Substance Abuse Workshops** This program is held weekly and led by a representative from various substance abuse programs and provides group support for clients with substance abuse issues. Participation in these workshops is entirely voluntary.

COORDINATION WITH COMMON CENTS

In addition to providing the above services, the Shelter will be fully integrated with the Common Cents coordinated entry and assessment system administered by Sacramento Steps Forward (SSF). The City recognizes that creation of this system is an iterative process and will require time and commitment from the funders (including the City), SSF, and all providers in the homeless Continuum of Care. As this system is being developed, TSA will work with SSF on planning, developing and implementing the components of Common Cents integral to emergency shelters, including:

- Lowering and/or eliminating requirements to entry that are not required by funders or constrained by the physical layout of the shelter building; and
- Accepting clients via the community queue and not imposing additional screening or intake criteria; and
- Removing any program rules requiring participation in services unrelated to housing or employment, including religious services, drug/alcohol treatment, or mental health treatment. Such services may continue to be offered, but tenancy at the shelter may not be predicated on participation; and
- Endeavoring to move to a system that screens clients in rather than out, including reducing the reasons and frequency at which clients are asked to leave the shelter; and
- Focusing case management and services on helping clients find and secure permanent housing, either through the homeless continuum or otherwise; and
- Allowing access to all clients for services offered through Common Cents, including outreach navigators, housing placement specialists and staff of the various local rapid re-housing and permanent supportive housing programs.

ELIGIBLE PARTICIPANTS

Eligible participants are single, homeless adult men and women. For those beds funded by the Veterans Grant per Diem program, participants are identified by the Veterans Administration and must also be a veteran of the United States military. For those beds funded by Wellspace Health, the participants are identified by the hospital systems as a homeless individual being discharged from one of the participating hospitals and in need of recuperative nursing care services. The Shelter offers services on a first come, first come, first served basis and participants may also be assessed by TSA for need and vulnerability, but should not be “screened out” based on level of need, impairment, or previous history at the Shelter, with the exception that TSA may refuse admittance for clients with a previous documented occurrence of violence towards staff or for clients who have initiated legal action against TSA.

When SSF completes the work needed to fully integrate homeless shelters into Common Cents, TSA will begin taking all clients from the community queue.

BUDGET

Refer to Exhibit 1 to Attachment B.

OUTCOMES

- Serve approximately 600 clients over the course of a year
- 50% of clients will exit to programs coordinated through the homeless continuum of care or other housing options
- 25% of clients will exit to permanent housing (including permanent supportive housing, rapid re-housing, subsidized affordable housing, market housing or living permanently with family or friends)

The outcomes will be achieved through the collaborative work and resources of The Salvation Army, Sacramento Steps Forward navigators, Sacramento Steps Forward (contract) Housing Specialists, and operators of permanent housing for formerly homeless households participating in Common Cents.

RECORD-KEEPING AND REPORTING

TSA shall maintain client files, in accordance with the requirements of the Community Development Block Grant Program (CDBG) and in accordance with the requirements of the HMIS as operated by SSF. In the case of a conflict between the two standards, the stricter standard shall apply. TSA's records will be made available upon request for inspection by the City.

Upon entry into the Shelter, data on all clients will be entered into the Sacramento County Homeless Management Information System (HMIS), pursuant to the data standards as required by Sacramento Steps Forward. Additionally, within 72 hour of entry, all clients shall be assessed through the Vulnerability Index-Service Prioritization and Decision Assistance Tool (VI-SPDAT) for placement into the Sacramento Steps Forward coordinated entry system.

COOPERATION

TSA shall coordinate with other service providers who are providing support services and/or lodging for the homeless population, with Sacramento Steps Forward and with other agencies necessary to carry out services in the most efficient manner possible and to enable referrals to appropriate agencies/programs.

EVALUATION

The City may at any time, evaluate this program. TSA shall be given opportunities to participate in the evaluation process and to respond.

EXHIBIT D
NONPROFESSIONAL SERVICES AGREEMENT

GENERAL PROVISIONS

1. Independent Contractor.

- A. It is understood and agreed that CONTRACTOR (including CONTRACTOR's employees) is an independent contractor and that no relationship of employer-employee exists between the parties hereto for any purpose whatsoever. Neither CONTRACTOR nor CONTRACTOR's assigned personnel shall be entitled to any benefits payable to employees of CITY. CITY is not required to make any deductions or withholdings from the compensation payable to CONTRACTOR under the provisions of this Agreement, and CONTRACTOR shall be issued a Form 1099 for its services hereunder. As an independent contractor, CONTRACTOR hereby agrees to indemnify and hold CITY harmless from any and all claims that may be made against CITY based upon any contention by any of CONTRACTOR's employees or by any third party, including but not limited to any state or federal agency, that an employer-employee relationship or a substitute therefor exists for any purpose whatsoever by reason of this Agreement or by reason of the nature and/or performance of any Services under this Agreement. (As used in this Exhibit D, the term "Services" shall include both Services and Additional Services as such terms are defined elsewhere in this Agreement.)
- B. It is further understood and agreed by the parties hereto that CONTRACTOR, in the performance of its obligations hereunder, is subject to the control and direction of CITY as to the designation of tasks to be performed and the results to be accomplished under this Agreement, but not as to the means, methods, or sequence used by CONTRACTOR for accomplishing such results. To the extent that CONTRACTOR obtains permission to, and does, use CITY facilities, space, equipment or support services in the performance of this Agreement, this use shall be at the CONTRACTOR's sole discretion based on the CONTRACTOR's determination that such use will promote CONTRACTOR's efficiency and effectiveness. Except as may be specifically provided elsewhere in this Agreement, the CITY does not require that CONTRACTOR use CITY facilities, equipment or support services or work in CITY locations in the performance of this Agreement.
- C. If, in the performance of this Agreement, any third persons are employed by CONTRACTOR, such persons shall be entirely and exclusively under the direction, supervision, and control of CONTRACTOR. Except as may be specifically provided elsewhere in this Agreement, all terms of employment, including hours, wages, working conditions, discipline, hiring, and discharging, or any other terms of employment or requirements of law, shall be determined by CONTRACTOR. It is further understood and agreed that CONTRACTOR shall issue W-2 or 1099 Forms for income and employment tax purposes, for all of CONTRACTOR's assigned personnel and subcontractors.
- D. The provisions of this Section 1 shall survive any expiration or termination of this Agreement. Nothing in this Agreement shall be construed to create an exclusive relationship between CITY and CONTRACTOR. CONTRACTOR may represent, perform services for, or be employed by such additional persons or companies as CONTRACTOR

sees fit provided that CONTRACTOR does not violate the provisions of Section 5, below.

2. **Licenses; Permits, Etc.** CONTRACTOR represents and warrants that CONTRACTOR has all licenses, permits, City Business Operations Tax Certificate, qualifications, and approvals of whatsoever nature that are legally required for CONTRACTOR to practice its profession or provide any services under the Agreement. CONTRACTOR represents and warrants that CONTRACTOR shall, at its sole cost and expense, keep in effect or obtain at all times during the term of this Agreement any licenses, permits, and approvals that are legally required for CONTRACTOR to practice its profession or provide such Services. Without limiting the generality of the foregoing, if CONTRACTOR is an out-of-state corporation, CONTRACTOR warrants and represents that it possesses a valid certificate of qualification to transact business in the State of California issued by the California Secretary of State pursuant to Section 2105 of the California Corporations Code.
3. **Time.** CONTRACTOR shall devote such time and effort to the performance of Services pursuant to this Agreement as is necessary for the satisfactory and timely performance of CONTRACTOR's obligations under this Agreement. Neither party shall be considered in default of this Agreement, to the extent that party's performance is prevented or delayed by any cause, present or future, that is beyond the reasonable control of that party.
4. **CONTRACTOR Not Agent.** Except as CITY may specify in writing, CONTRACTOR and CONTRACTOR's personnel shall have no authority, express or implied, to act on behalf of CITY in any capacity whatsoever as an agent. CONTRACTOR and CONTRACTOR's personnel shall have no authority, express or implied, to bind CITY to any obligations whatsoever.
5. **Conflicts of Interest.** CONTRACTOR covenants that neither it, nor any officer or principal of its firm, has or shall acquire any interest, directly or indirectly, that would conflict in any manner with the interests of CITY or that would in any way hinder CONTRACTOR's performance of Services under this Agreement. CONTRACTOR further covenants that in the performance of this Agreement, no person having any such interest shall be employed by it as an officer, employee, agent or subcontractor, without the written consent of CITY. CONTRACTOR agrees to avoid conflicts of interest or the appearance of any conflicts of interest with the interests of CITY at all times during the performance of this Agreement. If CONTRACTOR is or employs a former officer or employee of the CITY, CONTRACTOR and any such employee(s) shall comply with the provisions of Sacramento City Code Section 2.16.090 pertaining to appearances before the City Council or any CITY department, board, commission or committee.
6. **Confidentiality of CITY Information.** During performance of this Agreement, CONTRACTOR may gain access to and use CITY information regarding inventions, machinery, products, prices, apparatus, costs, discounts, future plans, business affairs, governmental affairs, processes, trade secrets, technical matters, systems, facilities, customer lists, product design, copyright, data, and other vital information (hereafter collectively referred to as "City Information") that are valuable, special and unique assets of the CITY. CONTRACTOR agrees to protect all City Information and treat it as strictly confidential, and further agrees that CONTRACTOR shall not at any time, either directly or indirectly, divulge, disclose or communicate in any manner any City Information to any third party without the prior written consent of CITY. In addition, CONTRACTOR shall comply with all CITY policies governing the use of the CITY network and technology systems, as set forth in applicable provisions of the City of Sacramento

Administrative Policy Instructions # 30. A violation by CONTRACTOR of this Section 6 shall be a material violation of this Agreement and shall justify legal and/or equitable relief.

7. CONTRACTOR Information.

- A. CITY shall have full ownership and control, including ownership of any copyrights, of all information prepared, produced, or provided by CONTRACTOR pursuant to this Agreement. In this Agreement, the term "information" shall be construed to mean and include: any and all work product, submittals, reports, plans, specifications, and other deliverables consisting of documents, writings, handwritings, typewriting, printing, photostatting, photographing, computer models, and any other computerized data and every other means of recording any form of information, communications, or representation, including letters, works, pictures, drawings, sounds, or symbols, or any combination thereof. CONTRACTOR shall not be responsible for any unauthorized modification or use of such information for other than its intended purpose by CITY.
- B. CONTRACTOR shall fully defend, indemnify and hold harmless CITY, its officers and employees, and each and every one of them, from and against any and all claims, actions, lawsuits or other proceedings alleging that all or any part of the information prepared, produced, or provided by CONTRACTOR pursuant to this Agreement infringes upon any third party's trademark, trade name, copyright, patent or other intellectual property rights. CITY shall make reasonable efforts to notify CONTRACTOR not later than ten (10) days after CITY is served with any such claim, action, lawsuit or other proceeding, provided that CITY's failure to provide such notice within such time period shall not relieve CONTRACTOR of its obligations hereunder, which shall survive any termination or expiration of this Agreement.
- C. All proprietary and other information received from CONTRACTOR by CITY, whether received in connection with CONTRACTOR's proposal to CITY or in connection with any Services performed by CONTRACTOR, will be disclosed upon receipt of a request for disclosure, pursuant to the California Public Records Act; provided, however, that, if any information is set apart and clearly marked "trade secret" when it is provided to CITY, CITY shall give notice to CONTRACTOR of any request for the disclosure of such information. The CONTRACTOR shall then have five (5) days from the date it receives such notice to enter into an agreement with the CITY, satisfactory to the City Attorney, providing for the defense of, and complete indemnification and reimbursement for all costs (including plaintiff's attorney fees) incurred by CITY in any legal action to compel the disclosure of such information under the California Public Records Act. The CONTRACTOR shall have sole responsibility for defense of the actual "trade secret" designation of such information.
- D. The parties understand and agree that any failure by CONTRACTOR to respond to the notice provided by CITY and/or to enter into an agreement with CITY, in accordance with the provisions of subsection C, above, shall constitute a complete waiver by CONTRACTOR of any rights regarding the information designated "trade secret" by CONTRACTOR, and such information shall be disclosed by CITY pursuant to applicable procedures required by the Public Records Act.

8. **Standard of Performance.** CONTRACTOR shall perform all Services required pursuant to this Agreement in the manner and according to the standards currently observed by a competent practitioner of CONTRACTOR's profession in California. All products of whatsoever nature that CONTRACTOR delivers to CITY pursuant to this Agreement shall be prepared in a professional manner and conform to the standards of quality normally observed by a person currently practicing in CONTRACTOR's profession, and shall be provided in accordance with any schedule of performance specified in Exhibit A. CONTRACTOR shall assign only competent personnel to perform Services pursuant to this Agreement. CONTRACTOR shall notify CITY in writing of any changes in CONTRACTOR's staff assigned to perform the Services required under this Agreement, prior to any such performance. In the event that CITY, at any time during the term of this Agreement, desires the removal of any person assigned by CONTRACTOR to perform Services pursuant to this Agreement, because CITY, in its sole discretion, determines that such person is not performing in accordance with the standards required herein, CONTRACTOR shall remove such person immediately upon receiving notice from CITY of the desire of CITY for the removal of such person.
9. **Term; Suspension; Termination.**
- A. This Agreement shall become effective on the date that it is approved by both parties, set forth on the first page of the Agreement, and shall continue in effect until both parties have fully performed their respective obligations under this Agreement, unless sooner terminated as provided herein.
- B. CITY shall have the right at any time to temporarily suspend CONTRACTOR's performance hereunder, in whole or in part, by giving a written notice of suspension to CONTRACTOR. If CITY gives such notice of suspension, CONTRACTOR shall immediately suspend its activities under this Agreement, as specified in such notice.
- C. CITY shall have the right to terminate this Agreement at any time by giving a written notice of termination to CONTRACTOR. If CITY gives such notice of termination, CONTRACTOR shall immediately cease rendering Services pursuant to this Agreement. If CITY terminates this Agreement:
- (1) CONTRACTOR shall, not later than five days after such notice of termination, deliver to CITY copies of all information prepared pursuant to this Agreement.
 - (2) CITY shall pay CONTRACTOR the reasonable value of Services rendered by CONTRACTOR prior to termination; provided, however, CITY shall not in any manner be liable for lost profits that might have been made by CONTRACTOR had the Agreement not been terminated or had CONTRACTOR completed the Services required by this Agreement. In this regard, CONTRACTOR shall furnish to CITY such financial information as in the judgment of the CITY is necessary for CITY to determine the reasonable value of the Services render by CONTRACTOR. The foregoing is cumulative and does not affect any right or remedy that CITY may have in law or equity.

10. **Indemnity.**

- A. **Indemnity:** CONTRACTOR shall defend, hold harmless and indemnify CITY, its officers and employees, and each and every one of them, from and against any and all actions, damages, costs, liabilities, claims, demands, losses, judgments, penalties, costs and expenses of every type and description, including, but not limited to, any fees and/or costs reasonably incurred by CITY's staff attorneys or outside attorneys and any fees and expenses incurred in enforcing this provision (hereafter collectively referred to as "Liabilities"), including but not limited to Liabilities arising from personal injury or death, damage to personal, real or intellectual property or the environment, contractual or other economic damages, or regulatory penalties, arising out of or in any way connected with performance of or failure to perform this Agreement by CONTRACTOR, any subcontractor or agent, anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, whether or not (i) such Liabilities are caused in part by a party indemnified hereunder or (ii) such Liabilities are litigated, settled or reduced to judgment; provided that the foregoing indemnity does not apply to liability for any damage or expense for death or bodily injury to persons or damage to property to the extent arising from the sole negligence or willful misconduct of CITY, its agents, servants, or independent contractors who are directly responsible to CITY, except when such agents, servants, or independent contractors are under the direct supervision and control of CONTRACTOR.
- B. **Insurance Policies; Intellectual Property Claims:** The existence or acceptance by CITY of any of the insurance policies or coverages described in this Agreement shall not affect or limit any of CITY's rights under this Section 10, nor shall the limits of such insurance limit the liability of CONTRACTOR hereunder. This Section 10 shall not apply to any intellectual property claims, actions, lawsuits or other proceedings subject to the provisions of Section 7.B., above. The provisions of this Section 10 shall survive any expiration or termination of this Agreement.

11. **Insurance Requirements.** During the entire term of this Agreement, CONTRACTOR shall maintain the insurance coverage described in this Section 11.

Full compensation for all premiums that CONTRACTOR is required to pay for the insurance coverage described herein shall be included in the compensation specified for the Services provided by CONTRACTOR under this Agreement. No additional compensation will be provided for CONTRACTOR's insurance premiums. Any available insurance proceeds in excess of the specified minimum limits and coverages shall be available to the CITY.

 - C. The above provisions shall apply in all instances unless prohibited by the funding source for the Contract or Agreement.

EXHIBIT E
LIVING WAGE REQUIREMENTS
(Nonprofessional Service Agreement)

The Living Wage Ordinance

The City of Sacramento's Living Wage Ordinance (the "LWO") is codified as Chapter 3.58 of the Sacramento City Code. The LWO requires certain firms that enter into agreements or contracts (all subsequent references to a "contract" or "contracts" will refer to both contracts and agreements) to provide certain services to or for the CITY, to pay a specified minimum level of compensation to their employees for time spent performing any work on the CITY contract. The LWO also applies to certain subcontractors.

The LWO applies to contracts entered into, amended, or renewed or extended at the CITY's discretion, on or after March 1, 2004 (the "LWO Effective Date").

Contracts and Contractors Covered by the LWO

Determining whether the LWO applies to a specific CITY contract, contractor or subcontractor, depends on whether the contract, contractor and/or subcontractor meet the criteria specified in the LWO for contract type, contract amount, contractor size (# of employees), subcontract amount and subcontractor size (# of employees). These criteria are summarized below.

Contract Type

The LWO applies only to contracts for Nonprofessional Services. Under the LWO, this includes contracts for any services of a nonprofessional character, including but not limited to tree trimming services, repair services for motor vehicles and office equipment, vehicle towing, and security services.

The LWO does not apply to: (1) Incidental services, such as delivery, installation or maintenance, that are provided under contracts for the purchase or lease of equipment, supplies, or other personal property; (2) contracts that are subject to CITY, state, or federal prevailing-wage requirements; (3) contracts for professional services (including but not limited to services rendered by engineers, architects, auditors, banks, consultants, actuaries and attorneys); and (4) contracts with nonprofit corporations that are organized under section 501 of the Internal Revenue Code and have fewer than 100 employees, whether full or part time.

Contract Amount

The LWO applies to contracts entered into or amended after the LWO Effective Date that provide compensation from the CITY of \$100,000 or more. In addition, the LWO applies to a contract entered into or amended after the LWO Effective Date that, by itself, does not reach this amount, if the aggregate value of that contract and of any other Nonprofessional Services contracts covered by the LWO that the CITY has awarded to the same person or firm within the previous 12 months, is \$100,000 or more. IT IS THE CONTRACTOR'S RESPONSIBILITY TO DETERMINE WHETHER THIS AGGREGATE VALUE IS \$100,000 OR MORE, AND TO NOTIFY THE CITY IN WRITING WHENEVER THIS IS THE CASE.

Contractor Size

The LWO only applies to a contractor that has at least 25 employees, working either full or part time. The number of employees that a contractor has is determined by adding the contractor's employees and the employees of any other person or entity deemed to be a "Related Person" under the LWO.¹

Subcontract Amount

The LWO applies to a subcontractor providing services under a covered contract if the amount of the subcontract is at least 25 % of the contract amount, without regard to the number of employees the subcontractor has.

Subcontractor Size

The LWO also applies to a subcontractor providing services under a covered contract if the subcontractor has at least 25 employees, working either full or part time, whether or not the amount of the subcontract is at least 25 % of the contract amount.

Payment of Living Wage to Covered Employees

If a contractor or subcontractor meets the criteria specified in the LWO for contract type, contract amount, contractor size, subcontract amount and/or subcontractor size, the contractor or subcontractor is deemed to be a "Covered Employer" under the LWO. The LWO requires a Covered Employer to provide specified minimum compensation to its employees who perform work directly related to the CITY contract (these employees are called "Covered Employees" under the LWO), for all hours the Covered Employees perform under the CITY contract.²

¹ The LWO provides that a person or entity is a Related Person when any of the following circumstances exists:

- (1) The person or entity and the contractor are both corporations, and (i) share a majority of members of their governing boards, or (ii) have two or more officers in common, or (iii) are controlled by the same majority shareholder or shareholders (control means more than 50% of the corporation's voting power), or (iv) are in a parent-subsidiary relationship (such a relationship exists when one corporation directly or indirectly owns shares possessing more than 50% of another corporation's voting power); or

 - (b) For each year after 2007, the rate shall be based on the rate from the immediately preceding year adjusted by the increase in the Consumer Price Index for All Urban Consumers, San Francisco/Oakland/San Jose area (1982--1984=100) from January 1 through December 31 of the immediately preceding year.

- (2) If health benefits are not provided to Covered Employees or if health benefits are provided but the Covered Employer's contribution for the benefits is less than \$1.50 for each hour, then the rates are as follows:

 - (b) For each year after 2007, the rate shall be based on the rate from the immediately preceding year adjusted by the increase in the Consumer Price Index for All Urban Consumers, San Francisco/Oakland/San Jose area (1982--1984=100) from January 1 through December 31 of the immediately preceding year.

Notification to Covered Employees

The LWO requires a Covered Employer to give each existing employee and (at the time of hire) each new employee a copy of the following written notification:

This company may enter into a contract to perform services for the City of Sacramento. If you work on such a contract, then you are entitled to be paid a living wage for each hour so worked. For more information, see Chapter 3.58 of the Sacramento City Code, which can be viewed at www.cityofsacramento.org.

The LWO requires the above notification to be provided in each language spoken by 10% or more of the Covered Employer's workforce.

The LWO also requires a Covered Employer to inform all employees of their possible right to the federal Earned Income Credit (EIC), and to make available to those employees any forms required to secure advance EIC payments from the Covered Employer.

Subcontractor Compliance

A contractor is responsible for requiring all of its subcontractors who are covered by these requirements to comply with the provisions of the LWO, by including these requirements in all subcontracts covered by the LWO.

Other Provisions of the LWO

Use of Funds Paid Under CITY Contracts

Under the LWO, Covered Employers may not directly use CITY funds to persuade Covered Employees to support or oppose unionization, and Covered Employers may not directly use CITY funds to schedule or hold meetings related to union representation during the Covered Employees' working hours. These restrictions do not apply to expenditures made during good-faith collective bargaining or to expenditures required under bona fide collective-bargaining agreements.

No Reduction in Non-Wage Benefits

Under the LWO, Covered Employers may not fund any wage increases required by the LWO, nor shall Covered Employers otherwise respond to the enactment of the LWO, by reducing the health, insurance, pension, vacation, or other non-wage benefits of any of their employees.

No Retaliation

The LWO prohibits a Covered Employer from taking any adverse action against a Covered Employee because the Covered Employee does any of the following: (1) exercises or asserts his or her rights under the LWO; (2) informs or assists other Covered Employees concerning their rights and the Covered Employer's obligations under the LWO; (3) complains about the Covered Employer's failure to comply with the LWO; or (4) seeks to enforce the LWO.

No Reduction in Collective-Bargaining Wage Rates

The LWO does not require or authorize any Covered Employer to reduce wages set by a collective-bargaining agreement or required under any prevailing-wage law.

Violations and Monitoring

The LWO provides that any violation of the LWO by a CITY contractor constitutes a material breach of the contract, and authorizes the CITY to terminate the contract and pursue all available legal and equitable remedies. In order to monitor compliance, the LWO authorizes the CITY to require Covered Employers to verify their compliance with the LWO by submitting certified payroll records to the CITY, and to take such other steps as may be necessary for the CITY to determine whether the requirements of the LWO have been satisfied.

The LWO also includes provisions authorizing an employee or interested person to file a judicial action against a contractor or subcontractor for violation of the LWO.

Declaration of Compliance

To assure compliance with the LWO, any person or entity entering into a contract to provide Nonprofessional Services to or for the CITY, on or after March 1, 2004, is required to provide the CITY with a signed Declaration of Compliance in the form required by the CITY, prior to the CITY's execution of the contract. The Declaration of Compliance shall be signed by a duly authorized representative of the person or entity entering into the contract, and, when accepted by the CITY, shall constitute part of the contract.

EXHIBIT F

REQUIREMENTS OF THE NON-DISCRIMINATION IN EMPLOYEE BENEFITS CODE

INTRODUCTION

The Sacramento Non-Discrimination In Employee Benefits Code (the "Ordinance"), codified as Sacramento City Code Chapter 3.54, prohibits City contractors from discriminating in the provision of employee benefits between employees with spouses and employees with domestic partners, and between the spouses and domestic partners of employees.

APPLICATION

The provisions of the Ordinance apply to any contract or agreement (as defined below), between a Contractor and the City of Sacramento, in an amount exceeding \$100,000.00. The Ordinance applies to that portion of a contractor's operations that occur: (i) within the City of Sacramento; (ii) on real property outside the City of Sacramento if the property is owned by the City or if the City has a right to occupy the property; or (iii) at any location where a significant amount of work related to a City contract is being performed.

The Ordinance does not apply: to subcontractors or subcontracts of any Contractor or contractors; to transactions entered into pursuant to cooperative purchasing agreements approved by the Sacramento City Council; to legal contracts of other governmental jurisdictions or public agencies without separate competitive bidding by the City; where the requirements of the ordinance will violate or are inconsistent with the terms or conditions of a grant, subvention or agreement with a public agency or the instructions of an authorized representative of any such agency with respect to any such grant, subvention or agreement; to permits for excavation or street construction; or to agreements for the use of City right-of-way where a contracting utility has the power of eminent domain.

DEFINITIONS

As set forth in the Ordinance, the following definitions apply:

"Contract" means an agreement for public works or improvements to be performed, or for goods or services to be purchased or grants to be provided, at the expense of the City or to be paid out of moneys deposited in the treasury or out of the trust money under the control or collected by the City. "Contract" also means a written agreement for the exclusive use ("exclusive use" means the right to use or occupy real property to the exclusion of others, other than the right reserved by the fee owner) or occupancy of real property for a term exceeding 29 days in any calendar year, whether by singular or cumulative instrument, (i) for the operation or use by others of real property owned or controlled by the City for the operation of a business, social, or other establishment or organization, including leases, concessions, franchises and easements, or (ii) for the City's use or occupancy of real property owned by others, including leases, concessions, franchises and easements.

"Contract" shall not include: a revocable at-will use or encroachment permit for the use of or encroachment on City property regardless of the ultimate duration of such permit; excavation, street construction or street use permits; agreements for the use of City right-of-way where a contracting

utility has the power of eminent domain; or agreements governing the use of City property that constitute a public forum for activities that are primarily for the purpose of espousing or advocating causes or ideas and that are generally protected by the First Amendment to the United States Constitution or that are primarily recreational in nature.

“Contractor” means any person or persons, firm, partnership, corporation, company, or combination thereof, that enters into a Contract with the City. “Contractor” does not include a public entity.

“Domestic Partner” means any person who has a currently registered domestic partnership with a governmental entity pursuant to state or local law authorizing the registration.

“Employee Benefits” means bereavement leave; disability, life, and other types of insurance; family medical leave; health benefits; membership or membership discounts; moving expenses; pension and retirement benefits; vacation; travel benefits; and any other benefit given to employees. “Employee benefits” shall not include benefits to the extent that the application of the requirements of this chapter to such benefits may be preempted by federal or state.

CONTRACTOR’S OBLIGATION TO PROVIDE THE CITY WITH DOCUMENTATION AND INFORMATION

Contractor shall provide the City with documentation and information verifying its compliance with the requirements of the Ordinance within ten (10) days of receipt of a request from the City. Contractors shall keep accurate payroll records, showing, for each City Contract, the employee’s name, address, Social Security number, work classification, straight time pay rate, overtime pay rate, overtime hours worked, status and exemptions, and benefits for each day and pay period that the employee works on the City Contract. Each request for payroll records shall be accompanied by an affidavit to be completed and returned by the Contractor, as stated, attesting that the information contained in the payroll records is true and correct, and that the Contractor has complied with the requirements of the Ordinance. A violation of the Ordinance or noncompliance with the requirements of the Ordinance shall constitute a breach of contract.

EMPLOYER COMPLIANCE CERTIFICATE AND NOTICE REQUIREMENTS

(a) All contractors seeking a Contract subject to the Ordinance shall submit a completed Declaration of Compliance Form, signed by an authorized representative, with each proposal, bid or application. The Declaration of Compliance shall be made a part of the executed contract, and will be made available for public inspection and copying during regular business hours.

(b) The Contractor shall give each existing employee working directing on a City contract, and (at the time of hire), each new employee, a copy of the notification provided as Attachment “A.”

(c) Contractor shall post, in a place visible to all employees, a copy of the notice provided as Attachment “B.”
